newed Kealizing at Close.

NEW YORK, February 20.—It was only after considerable hesitation and several false starts that prices moved decisively upwards in to-day's stock market. The early tone was unsettled and irregular, and there was renewed realizating at the close.

The one item of news of any importance which might be assumed to offer new conditions was the decision of the question of the right of the Harriman and Railroad Securities Company interests to vote their holdings of Illinois Central stock, which was contained in the opinion delivered in the Illinois court. The outcome was viewed in the financial district as a method for settlement of a dispute which has been an ceurt. The outcome was viewed in the financial district as a method for settlement of a dispute which has been an unsettling influence in other quarters as much from the fact of being kept open as from any questions at issue in the case. There was but one sale of Illinois Ceutral slock itself during the day, and that at a decline of a point from the previous sale. Union Pacific, in contrast, was heavily bought. Inferences were sought to be drawn of a bearing of this decision on the right of Union Pacific to receive the Southern Pacific dividends which the Federal government authorizes to enjoin, although the Illinois Central suit hinges on a State law of Illinois only. The professionalism of the market was indicated by the disposition to take profits late in the day.

Address of North Carolina Governor at Lynchburg Arouses

IREPORTS Make Good Showing.

The address of Governor Glenn followed interesting exercises in which several Young Mens Christian Association workers took part. The treasurers report shows the receipts in past year were \$7.861, leaving a debt of \$285. The report of the executive committee, Dr. Charles W. Kent, chairman was most encouraging, the statistical part being as follows:

There are in Virginia—50 associations (the year previous 55); 12 of the number are in cities. \$ railroad, 1 street railway, 1 each army and navy, 14 in small towns, and 22 in educational institutions.

We now have a membership of 13,483, as

10 per cent, while 153,231 men and boys at-tended religious meetings; 191 are known to have united with the churches, while a total of 932 men and boys professed to accept Christ as their Saviour. POWDER WORKS BLOWN UP

Four White Men and Twenty-Four Chinamen Lose Tacir Lives,
BERKELEY, CAL, February 29,—
With a force that shook the entire bay region like an earthquake, the packing house of the Heronies Powder Works, at Pinole, fourteen miles north of here, blew up at 4 clock this afternoon, and in the explosion four white men and twenty-four Chinamen were killed. Ten tons of dynamite went up in the terrific blast, shattering the sheds to dust and splinters.

W. M. Stillwell, foreman of the packing house, was blown to atoms at his post of duty.

Manuel Enos, Joseph Grace and W. A. Rodriguez were the other white men killed. The twenty-eight dead included every man who was at work in the packing house.

Flames burst forth in the ruins following the explosion, and threatened the gelatine house, where two-score girls were at work.

A pante ensued, and many were cut by fising splass and crushed and trampied in the mad rush for the doors.

Republicans Have Love Feast and Listen to Praise of Noel.

Manchester Bureau, Times-Dispatch, No. 1102 Hull Street. The banquet given last night at the

Lafayette House in honor of the Republican members of the two branches of the General Assembly was largely attended, and was a most enjoyable affair in every respect. The speeches made during the evening were in a happy vein, and the evening was what might be termed rightly a "Republican

The banquet was served at 9 o'clock and the table was laden with refreshments of every description. When the assemblage had duly considered the menu Mr. T. H. Smith, postmaster of the city and one of the hosts of the evening, called the guests to order, and presiding as toastmaster, introduced Mayor Maurice, who tendered a hearty welcome to the Republican members to the city of Manchester.

welcome to the Republican members to the city of Manchester.

Noel Spenks.

Senator Noel, the leader of the Republican side of the upper branck of the Legislature, was the next spenker and he was greeted with rounds of applause. He dwelt at length on the necessity of having the government in the hands of high-minded men, regardless of political faith. He further stated that he hoped to see the minority almost balance off with the majority, and when that is the case, he said, then the government will be what it should be, no matter which party is in power. He was applauded again and again. Mr. Augustine Royall had to endure some pleasantry on account of his political affiliations. His tribute to Judge Edmund Waddill, of the United States Circuit Court, was very striking.

Then Mr. Royall opened up and congratulated Mr. Noel on his stand against Judge Rhea. He declared the Senator had done a public service, and

Senator had done a public service, and stated that Democrats and Republicans alike admired him for his courage in bringing to light things that heretofore had remained hidden. The guests applauded vigorously.

In speaking of the character of the men in the Republican party Senator Lincoln pointed to a large picture of William H. Taft, and paid a nigh tribute to him. At the same time he spoke in the highest terms of his colleague, Han. John G. Luce, whose picture was beside that of Mr. Taft. They were both surmounted by a large American eagle festooned with red, white and blue.

There were a number of other speakers, who reviewed the history of the
